COMPARISON OF MEDICAL BENEFITS

JULY 2023

Comparison of Medical Benefits—Plan I-A

SUMMARY: Read this *Comparison of Medical Benefits* to choose your medical option when filling out your **TBT Enrollment Form**. Your medical option must be the same for you and your covered dependents.

For a full Plan description, refer to the specific Plan materials (*Guide to Your Benefits, Summary of Coverage, Plan Change Notices, Summary of Material Modifications* or *HMO Evidence of Coverage*).

HMO: Your Plan offers Kaiser and Anthem Blue Cross HMOs. Refer to each HMO's *Evidence of Coverage* for details and enrollment requirements.

PPO/Non-PPO: Your *Summary of Coverage* shows the difference between PPO and non-PPO coverage under the Indemnity Medical Plan. PPO claims are paid based on PPO contract rates. All non-PPO claims are paid based on Usual, Customary and Reasonable (UCR) charges, usually resulting in higher out-of-pocket expenses for you. Check that a doctor, hospital, lab or clinic is a PPO provider before receiving services by calling Anthem Blue Cross at (888) 887-3725. Outside California, call (800) 810-2583 for PPO Providers.

Anthem Blue Cross: Your doctor must notify Anthem Blue Cross at (800) 274-7767 in advance of a non-emergency hospital stay and within 72 hours of an emergency admission.

NO SURPRISES ACT: Non-PPO emergency treatment is paid as required by the No Surprises Act (explained on last page).

MENTAL HEALTH PARITY ACT: Coverage for mental health and alcohol or chemical dependency treatment should be no more restrictive than coverage for other medical conditions. Indemnity medical claims for mental health and alcohol or chemical dependency are accumulated to meet the same medical benefit deductible and out-of-pocket limit applicable to claims for other types of medical care.

Open Enrollment: You can change your TBT medical and dental options once a year. After your initial election of medical and dental options, you may change them once every 12 months. You may also change your medical or dental option if you are enrolled in an HMO and move outside of the HMO service area. Contact the TBT Plan Administration Office for details.

No Surprises Act: If you are treated at an out-of-network hospital or urgent care center, you must generally pay more out of pocket than if treated in a PPO hospital or urgent care center. However, the No Surprises Act provides that your out-of-pocket costs for the following out-of-network emergency claims will not be greater than if you were treated at an in-network facility:

- Emergency services
- Services provided by an out-of-network doctor or other health care provider at an in-network hospital or urgent care center, and
- Air ambulance services.

Mental Health Parity Act: This law requires that coverage for mental health and alcohol or chemical dependency treatment—sometimes collectively referred to as behavioral health services—should be no more restrictive than coverage for other medical conditions, as listed under *A. Hospital Benefits* and *E. Doctor Visits* inside.

Indemnity Medical claims for mental health and alcohol or chemical dependency are accumulated to meet the same medical benefit deductible and out-of-pocket limit applicable to claims for other types of medical care.

This Comparison of Medical Benefits is only a summary of the coverage actually provided by each of the specified programs. All exclusions and limitations of benefit coverage have not been listed and may vary by TBT Plan. The contents of this comparison are not to be construed or accepted as a substitute for the provisions of the Teamsters Benefit Trust Summary Plan Description for your TBT Plan or the contracts or Evidence of Coverage with Kaiser or Anthem Blue Cross HMO, which control in case of conflict. To maintain the financial stability of the Plan and Trust, the Board of Trustees reserves the right to change the benefits, deductibles or copayments or to terminate the Plan at any time.
